MONTHLY AUDIT REPORT ON THE SOUTHEAST ENERGY EXCHANGE MARKET MARCH 2023

Released May 8, 2023

Figures 2 and 3 of the March 2023 SEEM Monthly Audit report inadvertently omitted the last three days of the month. This errata reports the revised figures. There were no changes to the conclusions that were supported by the figures and so there are no changes to the report narrative. The revised figures are on the following page.

We also note that in section II.B.2 the report narrative refers to AEC when it should have referred to AECL.

Figure 2: Volumes of Matched Bids and Offers
March 2023

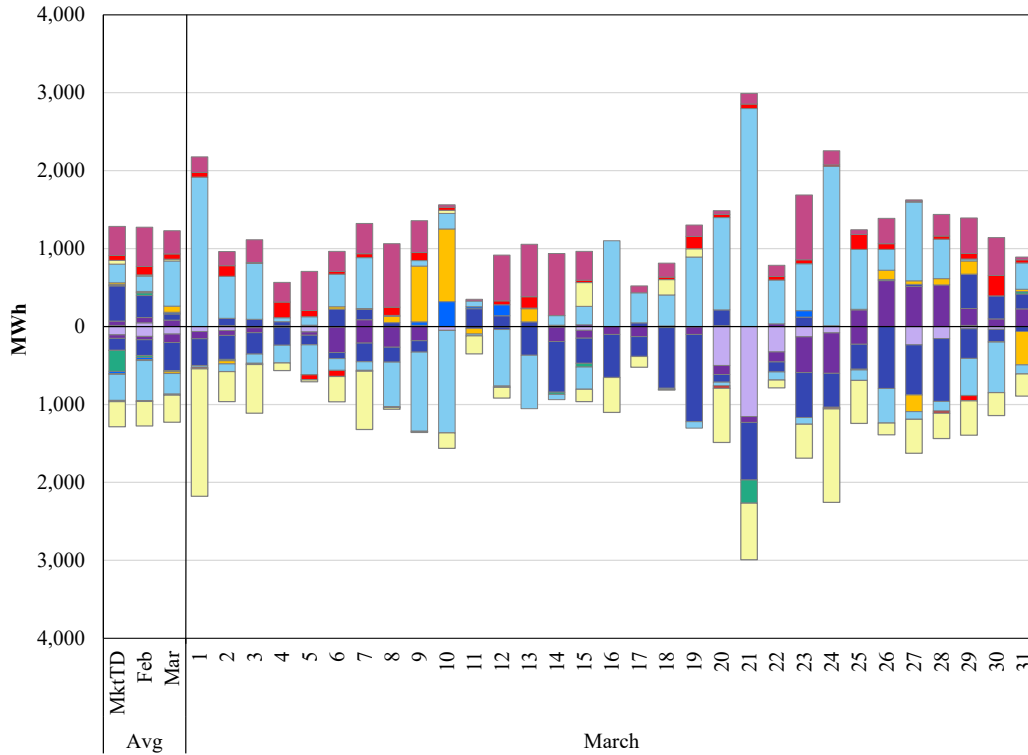

Figure 3: Revenues of Matched Transactions
