

**PARTICIPATING TRANSMISSION PROVIDER CERTIFICATION**

Instructions: *Please provide all requested information and check each item as applicable for completion.*

**Date:** \_\_\_\_\_

**Transmission Provider Name:** \_\_\_\_\_

The Participating Transmission Provider listed above certifies the following:

- (1) it has amended its Tariff(s) to include the provision of Non-Firm Energy Exchange Transmission Service and, if required by Law (and if necessary) has obtained acceptance of such provisions from FERC or such other Governmental Entity(ies) having jurisdiction over such Tariff; and
- (2) to the best of its knowledge information and belief, in combination with the other Participating Transmission Providers' provisions of Non-Firm Energy Exchange Transmission Service, its service allows for a continuous Contract Path for Energy Exchanges.

Additionally, the Participating Transmission Provider agrees to take any other actions and provide any other information to the SEEM Administrator as required by the provisions of the SEEM Market Rules or as otherwise reasonably requested by the SEEM Administrator in order to operate the Southeast EEM.

**Name of Legally Authorized Representative:** \_\_\_\_\_

**Signed:** \_\_\_\_\_
